Crochet in rounds with 2 colors **A** and **B**. Turn your work at each round. There will be a RS and a WS. Always change colors on the WS. For changing colors on the WS, see "How to" panel on next page.

With **A**, make a MC.

How to Change Color on the WS

- Change color with the last "yo, pull through 2" of the last dc in the current color or working yarn (*in this example, color B*).
- Hold your working yarn to the back (i.e. toward the RS) and the new color to the front (i.e. toward the WS, *photo 10*);
- Yo with the new color (*in this example, color A*) and pull through both loops on your hook (*photo 11*). The new color is now your working yarn.
- Pull the non-working yarn (i.e. the old color) to the right of your work if you are right-handed (*photo 12*) or to the left of your work if you are left-handed.
- Then, continue to crochet your granny square using your new working yarn.
